AsiaYo 與 Myallocator 攜手合作民宿多元經營

很高興和大家宣布與 Myallocator 在 2017 將正式成為合作夥伴，一起為旅宿多元經營而努力！我們之間的合作並不僅僅是提供旅宿業者能輕鬆的管理房源，更期待這次的合作能提供雙方更多的機會以及福利！

We are pleased to announce that Myallocator and Asiayo begin the partnership started from now in 2017! Through this cooperation, hosts can manage their own properties easier, and we also look forward we can bring more choices and more high-quality minsus in our website!

Myallocator description:

Myallocator by Cloudbeds powers inventory deliverability for tens of thousands of properties in more than 117 countries. With over 300 integrated distribution channels, myallocator offers properties of all types and sizes a reliable and robust solution to channel management. Myallocator consistently adds new channels and PMS partners making it a future-proof solution.

Benefits:

- Connects to more than 300 channels with both API and iCal connections
- Integrated updates in real-time
- Significantly reduces the risk of overbookings
- Industry leading deliverability and uptime
- Consistent updates to infrastructure and integration partners
